

## **MID ISLAND TRUCK AND EQUIPMENT STUDENT AWARDS**

The Mid Island Truck & Equipment Association is comprised of members of the local heavy construction and transport industry. This membership includes both owner/operators, company owners, employees and supplier associate members. The executive/board of directors and the general membership of MITE have recognized that there is an ongoing need for trades training in the various areas of the transportation and construction fields and want to contribute to the growth of local students who have shown an interest in pursuing a career in this area.

Preference will be given to children or grandchildren of MITE members, if no members dependents apply, then it will be awarded to any student who has demonstrated an interest in the area of study.
